Revision petition under Sec.51(5) of M.C.S.Act.

The appellants abovenamed beg to prefer this Memorandum of Appeal on the following among other grounds:-

1. The claim for Rs.274-7- 4 is unjust, legally unsustainable on the facts of the case, and without proper consideration as contended, and the claim is liable to be dismissed with appellants' costs.

2. The learned Arbitrator while admitting that the affairs of the Plaintiff Society are not beyond suspicion, has gone wrong in putting the burden of proving of non-receipt of consideration on the Appellants themselves.

3. There are no reasonable grounds to believe the evidence of P.W.1 Secretary of the Plaintiff Society and disbelieving the evidence of Appellants.

4. The appellants are of opinion that their signatures have been forged, and the appellants be given an opportunity to prove same by referring to an Hand-writing expert.

5. The appellants therefore pray that after admitting this appeal, and on perusing the lower Court's records, and evidences, the decree of the Honorary Arbitrator be reversed and set aside, and the decree be stayed pending decision of this ~~ø~~ appe

Order

The claim is for recovery of Rupees 274-7-4 being the amount due to Plaintiff Society in respect of Surety bond executed by Defendants in favour of Plaintiff Society. Defendants No.1, 2 and 3 are all present. D1 says that he went to the Society's office along with D2 to stand surety to him. He says that he neither applied for a loan of Rs.250/- nor received the amount from the Society. He further says that he has not signed the Surety Bond also. He admits that he has received registered notice on 31-3-1954 stating that the loan of Rupees 250 taken by him on bond 411/18-4-53 has fallen overdue and that the amount should be repaid at once with interest and costs. D1 further says that he showed the registered notice to D2 as he has not received the loan amount personally. Thus he says that he has neither replied nor repaid any amount. D2 says that it is true that he had

To

asked a loan of Rs.450/- and the same has not been paid to him. D3 says that he has not stood surety to D1 and he went to the Society's Office to stand Surety to D2.

PW1, the Secretary of the Plaintiff Society deposes as follows. D1, D2 and D3 duly applied for membership as per their share applications Ex.B. They were admitted and loan of Rs.250-0-0 were sanctioned, to each of the defendants no.1,2 and 3. He says proper surety Bond Ex. A. and ~~cost~~ cash receipts Ex.D have been obtained from them after disbursing loan amount. D1 failed to repay the loan amount on due date. Registered notice was issued on 31-3-94. To which neither reply nor amount has been paid to the Society. So PW1 says that he was forced to take legal action against Defendants no.1,2 and 3.

NOW D1 says that he had been to the Society's Office and had signed one Register and 3 or 4 forms. D2 and D3 also had been to the Society's office and also had signed one register and 2 or 3 forms. PW2 and PW3 also state that D1, D2 and D3 had come to the Society and they were also present when loan amounts are being disbursed to them.

On consideration of materials placed before me, I am constrained to hold that the working of the society is most irregular. It is dominated by the Secretary who has practically converted it into one man's show. The President who is entitled under bylaws to disburse loan amounts appears to have left everything to the Secretary whose dealings as they find from the records do not appear beyond suspicion.

However in the present case the burden of proving that Defendants have not received the consideration is heavily on them. Their denial is vague and unsupported by independent evidence. The evidence on record is wholly consistent with the Plaintiff's case. I have compared the signatures in Ex. A and D with signatures in Ex. B and registers which are admitted by the Defendants and I find them similar. I accept the evidence of PW1 (Secretary of the Plaintiff Society) and disbelieve the evidence of D1, D2 and D3 and hold that defendants have received full consideration before executing Ex. D.

In result, the claim is decreed for Rupees 274-74 against D1, D2 and D3 with interest at 9-5-0% from

Ref: Registrar's Endt.N.Ref.36/55 P dated 18-6-55.

****

I submit below my remarks on the Revision Petition filed by Sri Arabi Beary and two others as called for in the Registrar's reference cited.

2. This is a monetary suit filed by the Secretary of the Talapady Multipurpose Cooperative Society against the petitioners for the recovery of Rs.274-7-4 due to the Plaintiff Society in loan No.411 borrowed by them on a surety bond dated 18-4-53 for Rs.250/- with the defendant No.1 Sri Arabi Beary as principal borrower and the defendants Mahamad Beary and T.C. Abdul Khadar as sureties. The surity bond executed by the defendants for the loan is produced -- exhibit marked exhibit A. The application of the defendant Arabi Beary dated 12-4-53 for membership in the society is also produced and is marked exhibit B. The loan was disbursed on 18-4-53 and the receipt for the loan amount is produced as is marked exhibit D. The loan was repayable in two instalments on 1-3-54 and 15-3-54. No amount was paid to the society and hence a register notice demanding payment of the dues was issued by the society to the defendants on 31-3-54. The postal receipt for desptach of the Register notice to the defendants is marked exhibit C. The office copy of the notice has however, not been produced by the plaintiff nor is there any reply sent by the defendants. As the dues were not repaid even afterwards, the Panchayatdars of the Society resolved to file an Arbitration suit before the Deputy Registrar and accordingly a suit was filed. The suit was admitted on 26-7-54 and transferred to Sri P.Sunder Bhat, Honarary Arbitrator, Mangalore. The suit was heard and a decree was passed by him on 2-3-55.

3. Sri Arabi Beary has stated that he has neither applied for any loan nor received any amount from the society and denies having signed the surety bond and in the voucher for the loan but admits that he had gone to the plaintiff society to stand surety to defendant No.2 Mahamad Beari and signed in certain forms as required by the Secretary of the society. The second defendant also denies his signature in the bond for the loan but states that he has signed in some registers and forms in the society. The third defendant states that he has not paid any share amount to the society nor did he stand surety for the loan, but adds that he does not know whether he has signed the bond, for the suit loan or not.

4. It will be seen from exhibits A, B and D that the defendant No.1, Sri Arabi Beary, has actually applied for membership in the society and the defendants have executed the bond and borrowed the loan from the society. The denial of the defendants is vague, and is not supported by any material evidence. The Arbitrator has also satisfied himself as the genuineness of the signatures in the exhibits A, B and D by comparing them with those in the signatures of the society which are admitted by the defendants as theirs. The plaintiff's contention that the defendants have executed the bond and borrowed the loan is supported by the statements of the witnesses Sri Subramai Maiya, who had attested the bond for the loan and Sri Veera Shetty, who states that he had attended the meeting in which the loan was sanctioned and also witnessed the loan disbursement.

5. As the petitioners state that their signatures were forged and as the Arbitrator too has in his judgement observed that the transactions are not beyond suspicion the signatures of the defendants in exhibits A, B and D may if deemed necessary be got examined by an expert.

Registrar's reference Rc.3655/P dated 18-6-55 is resubmitted herewith. The connected A.R.C. file is also enclosed.

ORDER UNDER SECTION 51 (5) OF THE MADRAS COOPERATIVE SOCIETIES ACT VI OF 1932.

Present:- Sri A. Hirudayaswamy, B.A.,
Joint Registrar.

R.P. 36/55 P. D/ 29 -5-1956.

Sub:- Arbitration. The Talapady C.S.- Award in A.R.C. 108/54-55 - Revision petition filed by Arabi Beary - dismissed.

Read:- 1) Revision petition filed by Sri Arabi Beany and others.
ii) Letter No. 11551/55 G d/ 26-7-55 of the D.R. MGE.
iii) J.R.'s notice R.P.36/55 P d/ 26-3-56 and 14-5-56 and
iv) Other connected records.

O R D E R:-

This is a Revision Petition filed by Messrs. Arabi Beany, Mohamed Beany and T.C. Abdul Kadir, against the award passed in A.R.C. 108/54-55 dated 2-3-55. The facts of the case are as follows:-

2. The Talapady Coop. Society filed an arbitration reference before the D.R. Mangalore for the recovery of Rs. 274--7--4 from the petitioners. The amount represented the dues on a surety bond of 18.4.53 executed by loan issued to Sri Arabi Beany, the principal borrower and other by the Talapady C.S. The D.R. took the reference on file and referred it to an Hony. Arbitrator for enquiry and disposal. The Arbitrator who enquired into the matter passed an award for Rs. 274--7--4 against Sri Arabi Beany, the principal borrower and Sri Mohamed Beany and Sri T.C. Abdul

p.t.o.

~~Kadir, the sureties.~~ Against this award of the Arbitrator the Revision petition has been filed.

3) The case came up before me for hearing on 21-5-56 at Mangalore. The petitioners remained exparte. The Talapady C.S. (now Kotekar Agricultural Cooperative Bank) was represented by its director Sri T. Subbaroya Bhat. The contention of the petitioners is that they never signed the Surety Loan bonds and that their signatures were forged. On a perusal of the records, it is seen that the Loan bond was signed by the principal borrower and the two sureties (the petitioners). The acknowledgement of the disbursement of the loan has been signed by the principal borrower and it has been attested by a witness. It is also seen that the admission register of the society contains the signatures of the petitioners when they were admitted as members of the society. The Director who represented the Talapady C.S. at the hearing has argued that when the loan of Rs 250/- was sanctioned and disbursed, he happened to be the Secretary of the society and the whole transaction took place in his presence and hence there is nothing to suspect the genuineness of the loan bond or the disbursement of the loan. There is nothing on record to disbelive the society. It is clear from the relevant records produced before me that the loan in question was disbursed to the principal borrower who had acknowledged receipt of the amount of loan disbursed. In the result I find no reason to interfere in the matter and the

R.P 36/55 P.

This is a revision Petition filed by Sri Hadbi Beary, Mohamed Beary and T. C. Abdul Kadar against the award passed in ARC 108/54-55 D d. 3.55. The Talapady Co-op Society filed an arbitration reference before the DR Mangalore for the recovery of Rs 274-7-4 from the petitioners. The amount was the dues on a mortgage loan issued by the Society. The DR took the reference on file and referred to the Hon. Arbitrator. The Hon. Arbitrator enquired into the matter and passed an award for Rs 274-7-4. The Against this award of the Hon. Arbitrator the Revision Petition has been filed. The main contention of the petitioners is that their signatures were forged. The judgement and the DR's remarks of the DR on the RP. may be perused. There is nothing on record to prove that the signatures were forged. It may be considered whether it is necessary to refer the matter to the handwriting expert to arrive at the correct conclusions. A. Supdt. who knows Kannada may be asked to assist the DR. in comparing the signatures.
